

HELLO SPONSOR

We Need You!

Dear Prospective Sponsor,

As a non-profit organization, Los Altos Youth Baseball and Softball needs financial resources to achieve our goal of providing balanced development of our youth. Our league is dedicated to fostering an appreciation of teamwork, sportsmanship, competitive spirit and most importantly—FUN! Our basic means of financial support, solicited individual and company sponsorships, have always been critical to our success.

Los Altos Youth Baseball and Softball is appealing to the generosity of people and businesses in the community who recognize the importance of long term investment in programs that benefit young people. We are asking for annual sponsorships to provide a capital base to cover reoccurring costs associated with administration of an organization that touches the lives of 900 youths.

Every tax-deductible contribution will be valued by our league and can truly make a difference in expanding our resources to do a far more effective job of mentoring our youth and future leaders of tomorrow. Only by working together, can we make a difference.

In an effort to make it as easy as possible for you to help us, please review and complete the Sponsorship Form on the reverse side of this letter. Any questions and comments can be directed to the league sponsor chairperson, listed at the bottom of this page.

When you invest in Los Altos Youth Baseball and Softball, you invest in the future!

Sincerely,
Dave Stankavich
